

## WEBINAR

# Empowering SMBs: Developing a Resilient Supply Chain Risk Management Plan

NOVEMBER 15, 2023 | 11:00 A.M. ET

**REGISTER NOW**

The Cybersecurity and Infrastructure Security Agency's (CISA) Information and Communications Technology (ICT) Supply Chain Risk Management (SCRM) Task Force presents its latest product, "Empowering SMBs: A Resource Guide for Developing a Resilient Supply Chain Risk Management Plan." The Resource Guide was created to provide a valuable starting point for small and medium-sized businesses to develop and tailor an ICT SCRM plan that meets the needs of their business and serves as a supportive tool that can be leveraged to establish an actionable SCRM plan that will support the mitigation of risks and disruptions to their supply chains.

[Register here](#) and join the panelists as they discuss how the SMB Resource Guide can help organizations increase supply chain resilience.

**Speaker:** **Mona Harrington, Assistant Director**  
*Cybersecurity and Infrastructure Security Agency (CISA)*  
*National Risk Management Center (NRMCC)*

**Moderator:** **Tamber Ray, Regulatory Counsel, NTCA - The Rural Broadband Association**

**Panelists:** **Dick Brooks, Chief Technology Officer and Lead Software Engineer, Reliable Energy Analytics**  
**Chad Kliwer, Professional Development Content Manager, ISC2**
